

School Psychologist

Salary: \$70,000 to \$80,000, commensurate with experience and salary history

Tour of Duty: 11 Month Position

Location: Detroit, MI

Our students need your expertise, passion and leadership.

We are looking for highly motivated and skilled talent to join our team at the Education Achievement Authority of Michigan (EAA). We seek individuals who are passionate about transforming the lowest performing schools in Michigan and making a significant difference in the lives of public school students, parents, principals, teachers, and central office employees.

Currently, the EAA runs fifteen schools of which twelve are direct-run and three are operated by a charter. Under the new leadership of the Chancellor, the EAA is committed to being a system of high-performing schools and not just a school system. We believe that all children are capable of academic achievement. We continuously seek methods of improvement while enhancing the great work that our teachers, leaders and support staff do on a daily basis. Join our team!

Essential Duties and Responsibilities

The below statements are intended to describe the general nature and scope of work being performed by this position. This is not a complete listing of all responsibilities, duties, and/or skills required. Other duties may be assigned.

- Conducts psycho-educational initial evaluations and re-evaluations of students
- Attends child study meetings and all meetings pertaining to the evaluation process
- Participates with general education and special education teachers to design instructional strategies, interventions and supports for students
- Confers with parents, administrators, social workers, and other professionals to develop individualized education programs (IEPs) designed to promote students' educational, physical, and social/emotional development
- Maintains accurate and complete student records and prepares reports on children and activities, as required by laws, district policies, and administrative regulations
- Serves as a member of a multidisciplinary team as appropriate
- Performs related work as required

Qualifications

- Michigan School Psychologist Certification (*Required*)
- Knowledge of Michigan Special Education rules, with an emphasis in eligibility rules
- Knowledge of Multi-Tiered Systems of Supports
- Ability to analyze student/building data to design instructional interventions and supports
- Ability to work as a team member with parents, teachers, and administrators
- Excellent comprehension of a diagnostic-prescriptive model of evaluation
- Excellent verbal and written communication skills
